(5) Before initiation of proceedings under sub-regulation (2) above, the Managing Director or Chief Operating Officer may, if it deems appropriate, initiate a preliminary fact finding inquiry into an incident involving an employee, which appears to be an instance of Misconduct, or inefficiency or corruption as the case may be. The Managing Director or Chief Operating Officer may follow any procedure deemed appropriate by it while holding preliminary fact-finding inquiry.

(6) The report of the preliminary fact finding inquiry will not be read as evidence against any employee against whom any action is proposed to be taken and shall in no case be considered as a substitute for a formal inquiry against the employee, but may be relied upon to decide whether a formal inquiry under sub-regulation (2) is necessary or otherwise.

50. PEEDA 2006: (1) In case of any issue of efficiency, discipline and accountability including but not limited to sections 37 to 49 above, The Punjab Employees Efficiency, Discipline and Accountability (Amendment) Act 2006 (Act XII of 2006) shall be applied *mutatis mutandis*.

(2) All Police officers serving in the Authority will be subjected to Efficiency and Discipline Rules 1975 as in vogue in Punjab Police.

51. Action in respect of employee required to proceed on leave: If an employee has proceeded on leave in pursuance of an order and no major disciplinary action is taken against him, he shall be required to re-join the duty and period of forced leave shall be treated as duty for all purposes.

52. Departmental Proceedings in cases referred to the Court: There shall be no bar to the holding of inquiry proceedings for an instance for which an employee may be proceeded against, if such instance also constitutes a criminal offence, and for which offence the said employee is being prosecuted in a criminal court.

53. Conviction by Court of Law: (1) Where any employee is convicted by a Court of competent jurisdiction for an offence involving moral turpitude or a criminal offence against person or property, the appointing authority shall, without recourse to an inquiry, pass an order of dismissal from service of the employee to be effective from the date of his/her conviction.

(2) Provided that in cases of conviction on charges other than moral turpitude, the appointing authority may in light of the facts, pass any order or impose any Penalty under these regulations as it deems fit after providing the employee an opportunity of hearing.

54. Feedback Cell: (1) A Feedback cell shall be constituted by the Managing Director as an alternate dispute resolution forum wherein an employee aggrieved in relation to any behavioural or administrative affair may file his/her representation in writing. This shall not include matters relating to disciplinary proceedings.

(2) The Cell within 07 calendar days of the receipt of such representation shall, without any bias, scrutinize the matter and make appropriate recommendations for consideration of the Managing Director or Chief Operating Officer.

(3) The Managing Director or Chief Operating Officer keeping in view the recommendations made by the Cell may issue such directions and take such measures, as it may deem appropriate.

55. Separation: Separation, in the context of employer-employee relationships, is defined as when an employee ceases to be in employment of the Authority. Separation takes the form of either resignation or termination or cessation of employment.

56. Dismissal, Resignation and Termination: (1) The Authority reserves the right to dispense with the services of an employee who is declared unfit for service by an authorised Medical Board.

(2) An employee who has been convicted by a Court of Law for a criminal

offence involving moral turpitude may be removed from service forthwith regardless of any appeal that may be pending against such conviction in a summarily manner.

57. Dismissal: Dismissal of an employee shall be made in accordance with the provisions of these regulations.

58. Resignation: (1) An employee may submit his/her resignation to the concerned Unit Head by giving fifteen (15) days' notice or fifteen (15) days gross salary in lieu of the notice period. The period of notice shall commence from the date on which a notice in writing is served by the employee. However, employee may not absent him/her (self) from the duty without approved leave.

(2) Unless approved by the authority, the resignation submitted along with one month's notice shall not become effective unless approved by the appointing authority. Cessation of employment of an employee tendering his/her resignation may only take effect subject to acceptance of the resignation, completion of the notice period and clearance of all pending dues.

(3) An employee's resignation shall not become effective, if disciplinary proceedings are pending against the employee.

(4) In case an employee withdraws the resignation before its acceptance, the resignation shall be deemed to have been withdrawn.

(5) No leave is admissible during the notice period; any availed leave shall be deducted from his final settlement.

(6) In case an employee does not pay the surety bond Fee, the resignation shall not be accepted unless this condition is waived by the Managing Director or Chief Operating Officer of the Authority.

59. Clearance and Exit Interview: (1) In all cases of separation, the Administration shall initiate the process for final settlement, will advise other concerned units/sub units in respect of the exit of the said employee

and obtain a clearance certificate in the specified form. On the basis of clearance obtained, Administration Unit will process the final settlement case of the concerned employee. However, it shall be the responsibility of the employee leaving the Authority to fulfil all requirements related to clearance.

(2) All the final settlement cases will be sent to the Finance Unit for payment after requisite clearance/ approvals.

(3) On the request of the employee, the Authority may issue him/her an experience certificate by mentioning the reasons of separation. In case of references, only Officers of the level of Unit Chiefs can write such references for the employees who have left the authority.

(4) The Authority believes that exit interviews of employees who resign or retire from the Authority are useful tools to obtain important information. Following may be observed with regard to the exit interviews:

- a. Due regard for seniority of such outgoing employee shall be given and the result will be analysed /utilized to overcome any shortcomings/areas of improvement that may have been revealed between Management policies and employee wellbeing.
- b. Any irregularities that are found shall be summarized and shared with the concerned Departmental Head.
- c. The Authority shall review such information, agree on points, and affect plans that need to be enforced to address highlighted issues.
- d. The exit interview should take place possibly without interruption. The interview must create a sense of openness so that the leaving employees feel free to express their feelings.

Part IX- Performance Management System

60. Performance Appraisal: (1) Appraisals of all employees will be carried out at least once a year in accordance with the procedure approved by the Authority.

(2) The evaluation of the performance appraisals/ ratings shall be in the manner determined by the Authority (**Annex-VII**). If an employee fails to register his dissent in writing, duly signed by him/her, within the fixed number of days as specified by the Authority from time to time, he/she will be deemed as having accepted the performance appraisal.

Part X - Miscellaneous

61. Subject to provisions of Punjab Safe Cities Authority Act, 2016, the Authority shall delegate such administrative and financial powers to the Managing Director or Chief Operating officer for operation/ enforcement of these regulations.

62. Unit Heads in coordination with Administration shall be responsible for administering the procedures and provision of these regulations.

63. The authority will take necessary steps for maintenance of IC3 centre and may levy service charges in lieu of some services delivered through IC3 Centres.

64. The authority will devise and enforce monitoring mechanism to ensure implementation of Standard Operating Procedures and processes for quality control in IC3s.

65. The Authority and IC3 centre experts will assist District Police in collection and sharing of evidence through electronic devices managed by the Authority.

66. Administration Unit shall ensure that the all policies / procedures made hereunder are available to all employees on joining the authority and may also be available on official website of the Authority and any changes are properly communicated and employees are adequately trained.

67. Save as otherwise specifically provided in these regulations nothing contained herein shall affect or be deemed to affect anything done, action taken, orders issued, appointments made, transfers, removal, dismissal or termination made, documents or agreements executed, notification, show cause or circulars issued, proceedings initiated, penalty imposed, sanction granted, approval, direction given, inquiry conducted or any other action taken or done under or in pursuance of the Punjab Safe Cities Authority Act, 2016 and rules/ regulations made there under, shall be valid and under lawful authority and continue to be in force.

68. In matters, otherwise not covered under these regulations, the provisions of the Punjab Safe Cities Authority Act, 2016 and rules/regulations/ policies made there under shall mutatis mutandis be applicable.

ANNEX-VI Non-Disclosure Agreement**NON-DISCLOSURE AGREEMENT****EMPLOYMENT, CONFIDENTIAL INFORMATION, AND INVENTION ASSIGNMENT AGREEMENT**

As a condition of my employment with Punjab Safe Cities Authority, its subsidiaries, affiliates, successors or assigns (together the "Employer"), and in consideration of my further employment with the Employer and my receipt of the salary hereafter paid to me by Employer and the Employer's agreement in Section 2(a) (i), I agree to the following terms and conditions of this Employment, Confidential Information and Invention Assignment Agreement (the "Agreement"):

1. Employment:

I UNDERSTAND AND ACKNOWLEDGE THAT THE OFFER FOR EMPLOYMENT WITH THE EMPLOYER AS "[NAME OF POST]" HERE UNDER IS BASED ON THE REPRESENTATIONS AND INFORMATION PROVIDED BY ME.

That upon the acceptance of the terms and conditions of employment contained in this Agreement the Employer will issue a Letter of Appointment favouring me as an Employee, containing the date of joining/reporting to the concerned officer in the Employer.

That within seven days of the receipt of the letter of appointment I will join/report to the concerned Officer of the Employer failing which the letter of appointment will stand withdrawn/cancelled and I will have no right, entitlement and or any claim whatsoever against the Employer while the Employer can pursue its rights to the employee through all legal means available to enforce this agreement.

2. Confidential information:

(a) Employer Information:(i) The Employer agrees that upon the commencement of my employment, it will make available to me that Confidential Information of the Employer that will enable me to optimize the performance of my duties to the Employer. In exchange, I agree to use such Confidential Information solely for the Employer's benefit. Notwithstanding the preceding sentence, I agree that upon the termination of my employment, the Employer shall have no obligation to provide or otherwise make available to me any of its Confidential Information. I understand that "Confidential Information" means any Employer proprietary information, technical data, software programs, codes, trade secrets or know-how, including, but not limited to, research, product plans, products, services, customer lists and customers (including, but not limited to, customers of

the Employer on whom I called or with whom I became acquainted during the term of my employment), markets, software, developments, inventions, processes, formulas, technology, designs, drawings, engineering, hardware configuration information, marketing, finances or other business information disclosed to me by the Employer either directly or indirectly in writing, orally or by drawings or observation of parts or equipment. I further understand that Confidential Information does not include any of the foregoing items which has become' publicly known and made generally available through no wrongful act or omission of mine or of others who were under confidentiality obligations as to the item or items involved or improvements or new versions thereof. (ii) I agree at all times during the term of my employment and thereafter, to hold in strictest confidence, and not to use or access, except for the exclusive benefit of the Employer, or to disclose to any person, firm or corporation without written authorization of the Board of Directors of the Employer, any Confidential Information of the Employer.

(b) Third Party Information: I recognize that the Employer has received and in the future will receive from third parties their confidential or proprietary information subject to a duty on the Employer's part to maintain the confidentiality of such information and to use it only for certain limited purposes. I agree to hold all such confidential or proprietary information in the strictest confidence and not to disclose it to any person, firm or corporation or to use it except as necessary in carrying out my work for the Employer consistent with the Employer's agreement with such third party.

(c) Theft of Employer's electronic data:

(i) I will not bring any personal data storage device in the Employer premises without explicitly written and recorded permission from the management. This includes devices like USB storage devices, hard disk drives, personal laptops, cellular phones with built-in internal memory or removal data storage media, optical media, wireless or Bluetooth enabled gadgets with capability of data storage or any other data storage / transfer device not listed here.

(ii) I will not transfer/ upload any file stored on the Employer's network or any of the Employer's computers / computing devices to the Internet without explicitly written and recorded permission from the management. This includes uploading to any online file sharing/ storage server, P2P, FTP, email attachment, transmission of files through chat messengers or any data transmission/ uploading mechanism not listed here.

(iii) I understand that any attempt to transfer / transmit any file stored on the Employer's computers / storage devices will be treated as theft and the

Employer will have the right to initiate criminal proceedings against me under the relevant laws.

(d) Unauthorized contact with Employer's clients or vendors:

(i) I will not attempt to have unauthorized contact with any of the Employer's clients or clients of any client or vendor of the Employer through any electronic or conventional mode without explicitly written and recorded permission from the management.

(ii) I will not enter into any relationship with the Employer's clients or vendors that may cause conflict of interest during my term of employment.

3. Inventions:

(a) Inventions Retained and Licensed: I have attached hereto, as Exhibit A, a list describing all inventions, original works of authorship, developments, improvements, and trade secrets which were made by me prior to my employment with the Employer (collectively referred to as "Prior Inventions"), which belong to me, which relate to the Employer's proposed business, products or research and development, and which are not assigned to the Employer hereunder; or, if no such list is attached, I represent that there are no such Prior Inventions. I agree that I will not incorporate, or permit to be incorporated, any Prior Invention owned by me or in which I have an interest into a Employer product, process or machine without the Employer's prior written consent. Notwithstanding the foregoing sentence, if, in the course of my employment with the Employer, I incorporate into a Employer product, process or machine a Prior Invention owned by me or in which I have an interest, the Employer is hereby granted and shall have a nonexclusive, royalty-free, irrevocable, perpetual, worldwide license to make, have made, modify, use and sell such Prior Invention as part of or in connection with such product, process or machine.

(b) Assignment of Inventions: I agree that I will promptly make full written disclosure to the Employer, will hold in trust for the sole right and benefit of the Employer, and hereby assign to the Employer, or its designee, all my right, title, and interest in and to any and all inventions, original works of authorship, developments, concepts, improvements, designs, discoveries, ideas, trademarks or trade secrets, whether or not patentable or registrable under copyright or similar laws, which I may solely or jointly conceive or develop or reduce to practice, or cause to be conceived or developed or reduced to practice, during the period of time I am in the employ of the Employer (collectively referred to as "Inventions"), except as provided in Section 2(e) below. I further acknowledge that all original works of authorship which are made by me (solely or jointly with others) within the scope of and during the period of my employment with the Employer and

which are protractible by copyright are "works made for hire". I understand and agree that the decision whether or not to commercialize or market any Invention developed by me solely or jointly with others is within the Employer's sole discretion and for the Employer's sole benefit and that no royalty will be due to me as a result of the Employer's efforts to commercialize or market any such Invention.

(c) Maintenance of Records: I agree to keep and maintain adequate and current written records of all Inventions made by me (solely or jointly with others) during the term of my employment with the Employer. The records will be in the form of notes, sketches, drawings, and any other format that may be specified by the Employer. The records will be available to and remain the sole property of the Employer at all times.

(d) Patent and Copyright Registrations: I agree to assist the Employer, or its designee, at the Employer's expense, in every proper way to secure the Employer's rights in the Inventions and any copyrights, patents, mask work rights or other intellectual property rights relating thereto in any and all countries, including, but not limited to, the disclosure to the Employer of all pertinent information and data with respect thereto, the execution of all applications, specifications, oaths, assignments and all other instruments which the Employer shall deem necessary in order to apply for and obtain such rights and in order to assign and convey to the Employer, its successors, assigns, and nominees the sole and exclusive rights, title and interest in and to such Inventions, and any copyrights, patents, mask work rights or other intellectual property rights relating thereto. I further agree that my obligation to execute or cause to be executed, when it is in my power to do so, any such instrument or papers shall continue after the termination of this Agreement. If the Employer is unable because of my mental or physical incapacity or for any other reason to secure my signature to apply for or to pursue any application for any patents (local or foreign) or copyright registrations covering Inventions or original works of authorship assigned to the Employer as above, then I hereby irrevocably designate and appoint the Employer and its duly authorized officers and agents as my agent and attorney in fact, to act for and in my behalf and stead to execute and file any such applications and to do all other lawfully permitted acts to further the prosecution and issuance of letters patent or copyright registrations thereon with the same legal force and effect as if executed by me.

(e) Exception to Assignments: I understand that the provisions of this Agreement requiring assignment of Inventions to the Employer shall not apply to any invention that I have developed entirely on my own time without using the Employer's equipment, supplies, facilities, trade secret

information or Confidential Information except for those inventions that either (i) relate at the time of conception or reduction to practice of the invention to the Employer's business, or actual or demonstrably anticipated research or development of the Employer or (ii) result from any work that I performed for the Employer. I will advise the Employer promptly in writing of any inventions that I believe meet the foregoing criteria and not otherwise disclosed on Exhibit A.

4. Conflicting Employment: I agree that, during the term of my employment with the Employer, I will devote my full time and efforts to the Employer and I will not engage in any other employment, occupation, teaching, study or consulting activity, nor will I engage in any other professional activity without prior written authorization of the Employer; failing to do so will be treated as a material breach of this agreement.

5. Returning Employer Documents, etc. I agree that, at the time of leaving the employment of the Employer, I will deliver to the Employer (and will not keep in my possession, recreate or deliver to anyone else) any and all devices, records, data, notes, reports, proposals, lists, correspondence, specifications, drawings, blueprints, sketches, materials, equipment, other documents or property, or reproductions of any aforementioned items developed by me pursuant to my employment with the Employer or otherwise belonging to the Employer, its successors or assigns, including, but not limited to, those records maintained pursuant to paragraph 3(c). In the event of the termination of my employment, I agree to sign and deliver the "Termination Certification" attached hereto as Exhibit B.

6. Notices: In the event that I leave the employment of the Employer, I hereby grant consent to notification by the Employer to my new employer about my rights and obligations under this Agreement. In case, I decide to leave the employment, I shall give advance written notice according to the terms of the offer letter or if the same is not mentioned in the offer letter, I shall be liable to give **Thirty (30) days** advance written notice failing which **Thirty (30) days** salary shall be liable to be forfeited / deducted and or the Employer may take any other measures that the Employer deems fit.

7. Interference: I agree that during the course of my employment and for a period of eighteen (18) months immediately following the termination of my relationship with the Employer for any reason, whether with or without good cause or for any or no cause, at the option either of the Employer or myself, with or without notice, I will not, either directly or indirectly, interfere with the Employer's contracts and relationships, or prospective contracts and relationships, including, but not limited to, the Employer's customer or client contracts and relationships.

8. Non-Compete: I acknowledge that I will derive significant value from the Employer's agreement in Section 2(a)(i) to provide me with that Confidential Information of the Employer to enable me to perform my duties. I further acknowledge that my fulfilment of the obligations contained in this Agreement, including, but not limited to, my obligation neither to disclose nor to use the Employer's Confidential Information other than for the Employer's exclusive benefit and my obligation not to compete contained in subsection (a) above, is necessary to protect the Employer's Confidential Information and, consequently, to preserve the value and goodwill of the Employer. I further acknowledge the time, geographic and scope limitations of my obligations under subsection (a) above are reasonable, especially in light of the Employer's desire to protect its Confidential Information, and that I will not be precluded from gainful employment if I am obligated not to compete with the Employer during the period and within the Territory as described above.

9. Representations: I agree to execute any proper oath or verify any proper document required to carry out the terms of this Agreement. I represent that my performance of all the terms of this Agreement will not breach any agreement to keep in confidence proprietary information acquired by me in confidence or in trust prior to my employment by the Employer. I have not entered into, and I agree I will not enter into, any oral or written agreement in conflict herewith.

10. Interpretation of Agreement: I agree that any dispute, claim or controversy concerning my employment or any dispute, claim or controversy arising out of or relating to any interpretation, construction, performance or breach of this Agreement, shall be settled by the Competent Authority and the decision in this behalf shall be final.

11. General Provisions: (a) Governing Law Consent to Personal Jurisdiction: THIS AGREEMENT WILL BE GOVERNED BY THE LAWS OF THE ISLAMIC REPUBLIC OF PAKISTAN. I HEREBY EXPRESSLY CONSENT TO THE PERSONAL JURISDICTION OF THE COURTS LOCATED IN LAHORE SHALL HAVE EXCLUSIVE JURISDICTION TO ADJUDICATE UPON ANY CLAIM OR DISPUTE ARISING FROM OR RELATING TO THIS AGREEMENT.

(b) Entire Agreement: This Agreement sets forth the entire agreement and understanding between the Employer and me relating to the subject matter herein and supersedes all prior discussions between us. No modification of or amendment to this Agreement, nor any waiver of any rights under this Agreement, will be effective unless in writing signed by the party to be charged. Any subsequent change or changes in my duties, salary or compensation will not affect the validity or scope of this Agreement.

(c) Severability: If one or more of the provisions in this Agreement are deemed void by law, including, but not limited to, the covenant not to compete in Section 10, then the remaining provisions will continue in full force and effect.

(d) Successors and Assigns: This Agreement will be binding upon my heirs, executors, administrators and other legal representatives and will be for the benefit of the Employer, its successors, and its assigns.

(e) Construction: The language used in this Agreement will be deemed the language chosen by the parties to express their mutual intent, and no rules of strict construction will be applied against either party.

(f) Counterparts: This Agreement may be executed in any number of counterparts, each of which shall be enforceable, and all of which together shall constitute one agreement.

12. I acknowledge and agree to each of the following items;

(a) I am executing this Agreement voluntarily and without any duress or undue influence by the Employer or anyone else; and

(b) I have carefully read this Agreement. I have asked any questions needed for me to understand the terms, consequences and binding effect of this Agreement and fully understand them; and

(c) I sought the advice of an attorney of my choice if I wanted to before signing this Agreement.

IN WITNESS WHEREOF, the parties have executed this Agreement on the day, month and year first set forth below; provided, however, that the Employer executed this Agreement solely for the purpose of entering into the covenants contained in Section 2(a)(i).
