**Note:**

Candidates are expected to design and implement a project of their choice for Safe Cities. They are required to submit a comprehensive proposal by **December 27, 2023**, including the following details:

- Scope of the project
  - Functions and features to be implemented
  - Project timeline with key milestones
  - Resource requirements, including personnel and technology
  - Risk assessment and mitigation strategies
  - Expected outcomes and impact on enhancing city safety
  - Any additional relevant information or considerations.
- Please ensure that your proposal is well-organized, clearly articulated, and addresses all the specified components.
